

Hello,

I am writing to express my interest in worship and prayer ministries. I am a graduate of Upperroom School of Ministry in Dallas, Texas, where I completed two years of training focused on biblical foundation, theology, and practical ministry in worship and intercession.

During my time at Upperroom, my first year was centered on developing a strong theological and biblical framework, while my second year focused on the practical outworking of worship and prayer ministry. I served as a member of a worship and prayer team where I was able to incorporate all the knowledge and wisdom I was learning by serving as a prayer leader, helping cultivate environments where others could encounter the presence of God.

Since completing the program, I have continued to grow in this calling by leading a prayer room at my home church in Chesterfield MI for the past eleven months, as well as completing a one-year internship program through my church. These experiences have deepened my passion for intercession, strengthened my leadership, and given me hands-on experience in building and sustaining rhythms of corporate prayer.

I am passionate about creating spaces of presence-centered worship where people can minister to the Lord. I carry a deep desire to see houses of prayer established in local communities and to train and equip others in a lifestyle of worship and intercession.

I am open to full-time, part-time, or internship opportunities and am willing to relocate as needed. My heart is to serve faithfully, grow in leadership, and contribute to a ministry culture that prioritizes God's presence above all else.

Thank you for your time and consideration. I would be honored to be considered for any opportunity to serve within your ministry.

Sincerely,
Kylie Rheker
